Quality Chess Autumn/Winter 2013/14

Grandmaster Repertoire

Since the publication of GM1 in 2008, in total 13 volumes of the critically acclaimed series have been published. Recently GM1 was named the *Opening Book of the Decade* by *New in Chess Yearbook*.

The Open Spanish, The French Defence I&II, The Classical Slav, 1.e4 vs The Sicilian and more to come

The Grandmaster Repertoire series is essential reading for all serious chess players, including Anand, Gelfand, Aronian, Kramnik, Ponomarev and many more top stars.

"Of course have all the Grandmaster Repertoire books, what kind of Grandmaster doesn't?" – British Champion GM Gawain Jones

"Perhaps the thing I like most about the Grandmaster Repertoire series [...] is the crystal-clear presentation of the material and the visible dedication and determination with which the authors approach their material, routinely improving and inventing new stuff that's often not only theoretically relevant but also aesthetically pleasing." – Arne Moll, Chess Vibes

"Marian Petrov managed to write a fine opening manual on the Benoni and I would even dare to say, that thanks to this book the Modern Benoni will crop up even more frequently in both amateur and professional chess!" Lukas Wedrychowski

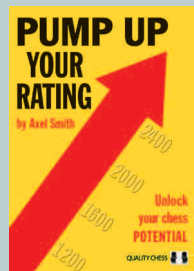

"Stupidly I tried to improve on Avrukh..." – GM Peter Svidler

Jacob Aagaard – The Grandmaster Preparation series

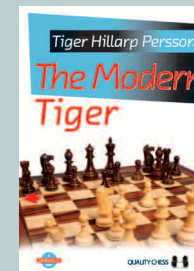

Danish/Scottish Grandmaster and trainer of Champions, **Jacob Aagaard** describes in **Thinking Inside the Box** what it takes to achieve the grandmaster title in chess and provides the training material in five volumes. Volume one, **Calculation**, was awarded the **Book of the Year** prize by the ACP in 2013.

Judit Polgar
From GM to Top Ten

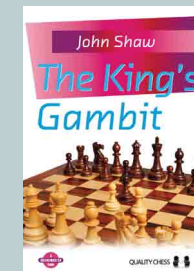

The World's No. 1 ranked female player for the last 24 years explains through her own games the knowledge and experience she needed to go from being the youngest ever GM at the time to a world-class player.

Kotronias on the King's Indian
Fianchetto Systems

Vassilios Kotronias is one of the biggest experts on the King's Indian. In volume one of this series he provides Black with full coverage on the widely popular g3-system.

John Shaw
Playing 1.e4 Volumes 1&2

John Shaw gives a dynamic and aggressive positional repertoire for White. Built on main lines, this repertoire is possible to learn quickly and remember.

Calling your company Quality Chess gives you a lot to live up to, but judging by the books I have received from them recently they are doing a good job of living up to their name.
